

"My name is Anne-Charlotte Ferey and I graduated from Sup'TG REIMS in 2009.

I chose this school as, for me, it was the only one, over three years, to combine theory and practice with a placement in the first year, a semester abroad on an academic exchange in the 2nd year and a professionally-oriented placement in the 3rd year.

This course took me to London for my first-year placement, Aix-la-Chapelle for a semester on an academic exchange, and the US for my professionally-oriented placement.

After the latter placement, I received a job offer that I accepted and I am currently Marketing Assistant for Vente Ciblée, a communications agency.

Thanks to Sup'TG, I learnt a great deal both in classes and in the field.

What's more, the team was always there for us to give advice throughout the course.

I would definitely recommend this school!"

Anne-Charlotte FERÉY

Class of 2009

Marketing Assistant for Vente Ciblée
